|    |   |                  | <b>Total</b> | <b>15.46</b> |

The Committee advised the Department to ensure that the following steps were adhered to while preparing of the Annual Action Plan in future:-

- i. Status of the project taken up during the previous financial year should be incorporated in the agenda notes in order to oversee the impact, difficulties and success stories of the programme.
- ii. Plan & estimates should be countersigned by the competent authority prior to the District Level Screening Committee (DLSC) meeting and the same should be verified by the said Committee. The Committee should specifically record in the minutes that the estimates duly approved by the technically competent authority were examined/considered by the Committee before approval of the schemes/Projects.
- iii. At the time of selection of any project, the District authority should ensure that all on-going projects should be given priority over new ones. Status of on-going projects and the funds required for completion of those projects/schemes should be clearly reflected in the agenda notes.
- iv. Overall commitment of any project, where the cost of constructing the same is on a higher side has to be specified as to whether, the same will be taken up in a phase manner or in convergence mode with other programme of the Central/State Government, or to be shared by the community/ beneficiary organization.
- v. Certain bench marks on the cost and size of a project will need to be worked out by the Department.
- vi. The quality of work should not be compromised especially in respect of buildings where large gathering of people is anticipated such as school buildings, community halls, etc.
- vii. The construction of concrete fencing for LP and UP schools should be avoided, instead green boundaries should be encouraged.
- viii. Priority should be given to Government schools while identifying and selecting of projects for upgrading and improvement of school buildings.

The meeting ended with a vote of thanks from the Chairman.

Sd/-  
K.S. Kropha, IAS,  
Chief Secretary to the Government of Meghalaya,  
Cum-Chairman, State Level Screening Committee,  
Meghalaya.
